QUANTITY PRICE LIST

H. G. HASTINGS CO.

ATLANTA, GA., April 2, 1937

For the convenience of customers who buy larger quantities than quoted in our catalogs, we are offering Hastings' high quality seeds, in the larger quantity lots, at the following prices.

These prices are for prompt acceptance, subject to such market changes as may take place from time to time, and stocks being unsold upon receipt of orders.

In case there has been a decline from these market prices when you send your order, we will refund any difference. If there has been an advance in market prices on any item, or items, we will either notify you of these, or send seeds for the amount of your remittance, whichever you may desire. Your orders will always be handled with fairness and liberality.

The prices in this quantity price list are f. o. b. Atlanta, and do not include cost of delivery by mail, express or freight. The cost of transportation must be paid by the buyer. If order is to be shipped by mail, postage must be sent in addition to the cost of the seed. For postage rates, see table. We make no extra charge for bags, packing, or drayage.

We offer seeds of the highest quality only, all of which have been thoroughly re-cleaned, graded and tested for germination. The list contains varieties and strains generally adaptable for planting in Southern territory.

In ordering from this list, please indicate the date of the list, as given at the top of this page. This list cancels all previous price lists.

Non-Warranty

H. G. Hastings Co. give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs, or plants, they send out, and will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned, and any money that may have been paid for them, refunded. If we should warrant or guarantee our seeds in any way, we could be held responsible for the failure of crops, regardless of cause, and this is a responsibility we cannot and will not accept.
